Home,
in every
way

Your world, within your reach

In urban living, finding a space that mirrors your ambitions and lifestyle is a journey of its own.

Situated in the heart of North Bangalore, Millionaire Tower is conceptualized with this journey at its heart—acknowledging that the modern homeowner seeks not just opulence, but a habitat that aligns with their dreams and pace.

This is Millionaire Tower - a monument to the art of living well, a testament to the belief that the spaces we inhabit should inspire us, comfort us and above all, reflect who we are.

Experience the *Millionaire* Difference

A home is an investment you make for yourself

Located in a prime area with ever-appreciating land value, Millionaire Tower offers 30%-40% assured appreciation, the highest in Bangalore. Surrounded by Fortune 500 companies and tech parks, it is ideal for end-users and investors, suggesting very high rental returns upon completion.

With just 256 homes spread over 5 acres, we welcome you to imagine a home from a different perspective. The project features clear titles, zero deviation, and Vaastu compliance. Enjoy a friendly payment schedule with stress-free installments and comfortable milestones.

DISCLAIMER

1. Amenities/Specifications: Pertaining to balcony/terrace and utility including but not limited to flooring fixtures, MS/SS railings, block work, etc. are applicable exclusively to apartments with balcony/terrace and utility. Apartments/units not designed with a specific utility area are not equipped with any amenities related to utility. Apartments/Units not designed with balcony/terrace will not have any amenities/specifications related to balcony terrace.
2. Kitchen Specifications: Amenities/specifications pertaining to the kitchen, including but not limited to flooring, fixtures, electrical and/or plumbing lines, and all other amenities/facilities/provisions specific to the kitchen and kitchen areas are applicable exclusively to apartments with a kitchen.
3. Electrical Fixtures: The developer shall only provide electrical points. The actual electrical fixtures/fittings inside the apartments, including but not limited to wall, ceiling lights, water purifier, chimney, washing machine, doorbell, fans shall be the responsibility of the buyer.
4. Brand Substitution: In the event any document mentions a specific brand for any specification and if such manufacturers cease production, delay supply, or increase the cost significantly, the promoter shall procure and install products of equivalent quality as per their choice. The final decision shall be binding.
5. Agreement vs Specifications: In the event of any contradictions/conflicts between the Agreement for Sale and this specifications document, the provisions of the Agreement for Sale will prevail.
6. The information depicted herein, including designs, rendered views, illustrations, furniture layout, fittings, master plan, floor plans, specifications, amenities and facilities, dimensions, colours, etc., are subject to change without notification as required by authorities or the Developer's architect. The developer cannot be held liable for variations. Illustrations and pictures are artist's impressions. The developer is exempt from any liability related to these specifications.
7. All dimensions and calculations are done in metric units. Imperial system units shown are for reference only. Dimensions indicated are from unfinished surfaces, excluding plaster and tile thickness.
